

Community Happenings

Summer 2025

A letter from the President, Kenny Didier

Greetings fellow Tanglewood Lake residents!

Summer is in full swing! It has been great to see everyone enjoying the beach and community grounds. The TLA Board will continue to repair and enhance all of our assets with projects and volunteer efforts.

Tanglewood Lake Homeowners Association has many opportunities for community members to volunteer as a committee member or as a special events volunteer. We have a fun Labor Day planned and look forward to seeing everyone! Please register on our website so you can get all the latest information including treasurer reports and minutes from our latest meetings.

Have a great season and I look forward to seeing you around the neighborhood.

Architectural Review, Paul Taylor

Thank you to all homeowners who have reached out for project reviews - your cooperation in following the approval process helps maintain our community's standards and property values.

As we move through the growing season, please remember to keep your lawns mowed, flower beds weeded, and landscaping well-maintained. A tidy neighborhood benefits everyone. If you have any questions about ARB guidelines or need project approval, don't hesitate to contact me.

Secretary, Kelsey Grampp

We extend a warm welcome to our new neighbors! We hope you'll find Tanglewood to be the best community to live in!

Beach, Steve Polien

Summer is in full swing! The beach is open through Labor Day weekend, unless the weather is bad (heavy rains or thunderstorms) and we have Lifeguards from 12pm until 6pm. Please note that whenever guards are not present, the lake is swim at your own risk. Children ages 13 and under should not be at the beach swimming without a parent or guardian present. If you have any questions regarding the beach, please reach out to Sarah Didier, our beach manager at beachmgrla@gmail.com.

A few key reminders for this summer:

- Watercraft storage at the beach is for those members who reserved a spot in advance with our beach manager, Sarah Didier.
- Beach, tennis courts, basketball courts, and pavilion are for Tanglewood Resident use only. No visitors or guests can use these amenities without a Tanglewood resident being present with them.

- Children under the age of 14 must take a swim test in order to be in the deep end of the swim area without an adult or a life jacket. Any children who have not passed the swim test must have a life jacket on and a parent or guardian must be either be in the water with them, or on the island observing them.
- No dogs are permitted at the beach or property around the beach.
- After significant rains, bacteria levels in the lake can rise to unhealthy levels for a short period of time. When bacteria levels are

high, it is not safe to swim. Historically, the levels return to normal within 24 hours after a heavy rain. Please remember that you swim in Tanglewood Lake at your own risk, even when lifeguards are present.

Homeowners are responsible for keeping hydrants clear from vegetation and visible from the street. Please report anybody taking water from the hydrants.

Homeowners are also responsible to know where their outside shutoff valve is located.

Seniors

Our senior group continues to gather on a very ad hoc basis. No specific events are planned at the moment but please stay tuned for more events in the future! If you have any questions about this group, your comments and suggestions are more than welcome. Please contact Francie Dunlop at 440-915-8945. Francie is maintaining a contact list and will be more than happy to add you to this list for future events.

Golf Course Happenings

Tanglewood Golf Club has experienced some recent vandalism on the golf course and ownership would like to ask residents for help in reporting anything they see to Bainbridge police.

Ownership is also exploring different security measures around the course and clubhouse.

Outside of golf hours (before dawn and after dusk) we welcome residents to respectfully enjoy the cart path. Please clean up after your dogs, refrain from riding bikes and golf carts on the grass, and do not play golf without paying.
